*Landowners, we thank  
you!*

Due to unforeseen circumstances, our annual appreciation dinner was cancelled. With uncertainty of future plans, for this year only, we are allowed to send gifts to our landowners. In lieu of our dinner, we were granted permission distribute to gift cards. \$25 is the maximum amount allowed without compromising the insurance policy we carry to cover your properties.

Wisconsin is a unique state that has a spider web of trails connecting one end of the state to the other. This would not be possible without all of you. Thank you!

We look forward to seeing you all next year.  
Until then, stay home and healthy.

With love and gratitude,  
The West Bend Kettle Trailblazers
