

A meet was held to discuss the up coming Wide Open Sports show. This meeting was held to plan some key elements for the show.

- **Raffle-**
 - We are going to be doing raffle tickets again. We wanted to get them printed early this year so we can sell them all year. It was voted to have a 50/50 Raffle again like we did last year.
 - We are going to look into having our brat fry for the raffle drawing on April 9, 2022 at Casey's in Newburg. Jane Falk will be investigating if this is possible.
 - The tickets will be printed and proof read by volunteers in the Raffle Committee.
 - Another idea was thrown out to have a softball tournament.
- **Landowners Dinner-**
 - Last year, the Landowners Dinner was scheduled for April 8, 2022 at the Columbian again.
 - It was suggested that we have a Landowner crew for volunteering and a Brat Fry crew to split up the work.
- **Shirt Sale-**
 - We had a new logo made for our 50th Anniversary this year. We want to purchase extras to sell for the year.
 - We talked about ordering 150 short sleeved shirts and 100 long sleeve shirts in various sizes.
 - A meeting will be held with the board to vote on this big purchase.
 - We will sign up for a Square Chip Reader to be able to take credit cards for the shirts and future sales.
- **Can Koozies-**
 - We voted to create some can koozies to sell at the Sports show and at the rest of our events.
 - They will cost about \$1 a piece, so we will sell them for \$2.
 - An idea was to give a koozie to anyone who signs up for the club.
- **Advertisement-**
 - We will be creating business cards with a QR code to our website on it.
 - We can then give them out to anyone who is a new member or curious about the club.
 - We will be creating a Facebook committee. We will be creating a new Facebook page with multiple people managing and posting on it.
- **Wide Open Sports Show**
